When we look at the headlines today, it's enough to make you crawl in a shell and never come out! But we are of the "Household of Faith" and we see and know the signs! It is those who are lost and are delusional in their belief that they are now "living the dream" because many ungodly practices they feel they have a right to do are slowly becoming legislation! Woe unto them who do not believe that God exists. Hell is waiting! And since we know the end is at hand, what should we as People of God be doing?

First, we must be SERIOUS. The word "serious" is defined as: careful in thought, full of concern, or restrained and dignified in manner; somber or grave. It is time out for playing church! God is coming back for a church without a spot or a wrinkle! It does not mean He is coming back after a building, a sanctuary, a cathedral, a temple or a synagogue! He is coming back after you and me because we are the church! The church is a band or group of baptized believers in Christ Jesus! It is time out for playing church! We are to be the church! What does that look like today! It means that there are false prophets/ false christs/ false wonders that we need to be able to recognize and not be fooled, bamboozled or hoodwinked. You must study the Word in order to be able to discern what's real and what's fake! Unfortunately, that goes for our religious leaders of today as well. Your soul is at stake!!!

Then we must be WATCHFUL. I hear you asking, "Be watchful of what?" - war, corruption and violence, great earthquakes in divers places, famines, and pestilences; disease, plagues (such as Aids & HIV, swine flu and Ebola), China and allies, Russia and Arab confederation, great signs and fearful sights (in the sun, moon stars), a call for world peace, Gospel preached to all nations, knowledge increased, and a falling away – a turn to sinful society.

Lastly, we must be PRAYING. The church must no longer be silent about the sin that permeates the earth! As long as we keep praying, we are empowering the Angels who are warring against Satan and his angels on our behalf! As long as we keep praying, we will be able to cast down imaginations, and every high thing that exalts itself against the knowledge of God, and bring into captivity every thought to the obedience of Christ. As long as we keep praying, God will give us peace which passes all understanding. As long as we keep praying, God will hear us. And if we believe, we shall receive mercy and find grace to help us in our time of need! As long as we keep praying, the sick will recover! As long as we keep praying, humble ourselves, seek His face, and turn from our wicked ways, He will hear from heaven, forgive our sins and heal our land. If we, the Body of Christ, do not keep praying for the salvation of this nation, who will? Understand People of God, judgment will begin at the House of God! The question on the floor is, "Will you be able to stand?" The bible says that only those with a pure heart and clean hands shall enter into his kingdom! The end is at hand!
