

“GOD HEARS YOU”

I John 5:15 – And if we know that He hears us, whatever we ask, we know that we have the petitions that we have asked of Him.

Does anyone recall when you were younger and your Mom was on her way out the door heading to the store? You quickly thought of something you needed and hollered, “Mama, can you bring me some ____?” You were confident that if your mother heard you, more than likely you were going to get that item because you knew it was something you were permitted to have. You weren’t going to ask for something that you already knew the answer was going to be, “No!”

When you are in tune to the Holy Spirit and totally connected to one another in Christian love, it is possible to have the very thing you desire of God.

How do you get what you desire? First, you must know that He hears you. Second, you must ask. Third, you must know that you have the petitions you desire. The way to ensure that God hears you when you pray is to be in the will of God. To pray according to the will of God and to do the will of God! God’s perfect will and His perfect way is found in His perfect word! Therefore, in order to know God’s will and His way, you must study and know God’s word!

To ensure that God hears you is to be sure that God knows you and that you know God. It is hard to communicate with someone that you have no relationship with. When you are in a state of crises and you need someone to come to your rescue, you are going to call on someone that you know has the expertise in that area. You may not know that person up close and intimately, but you know their skill set based on their profession.

Whatever you desire of the Lord, make sure your will is aligned with His. Let me encourage anyone who is seeking God for something in your life. The bible says, “For he who comes to God must believe that He is, and that He is a rewarder of those who diligently seek him.” It also says that God resisteth the proud, but gives grace to the humble. That means that when you ask, you must humble yourself. Not boasting or bragging about you, but acknowledging that God sees all, knows all and is in all places. Then come to the throne of grace in meekness and lowliness of spirit, knowing that whatsoever you ask it shall be done unto you!

Understand that whatever you need, God already has made provision for you and it is in His storehouse awaiting the proper time and season to give it to you! He may not come when you want Him, but He’s always right on time! By the simple fact that God knew your ending before your beginning, He is able to know exactly what you need and when you need it! The bible reminds us, “But my God shall supply all of your need according to His riches in glory by Christ Jesus.” So whatever it is that you may be in need of on today, my God’s got it!

Remember, when you are in tune to the Holy Spirit and totally connected to one another in Christian love, it is possible to have the very thing you desire when you know that He hears you, when you ask for whatsoever and when you know, with all certainty, that you will have the petitions you desire of God!
