“ACCESS TO GOD”

There has been much conjecture as to who is the author of the Book of Hebrews. There is strong support among scholars for the author to have been Apostle Paul and I concur. Yet it really matters not who is given credit for writing the Book of Hebrews, because “all Scripture is given by inspiration of God.” That is, all Scripture is God breathed. Thus the author of Hebrews is God Almighty.

The Book of Hebrews is a thirteen part sermon that is in letter form. It is a sermon letter that confronts the issue of Jesus the Christ being the greatest. It is a sermon letter that reveals that no one or anything is greater than Jesus the Christ. In Chapter Ten is the tenth part of the sermon letter and it deals with access to God. Access to God is what God has for all men. Access to God is being in the very presence of God. Access to God means no go between to get to God. Access to God means a personal encounter with God. Access to God means confidence to go before God. What a joy it is! What a privilege it is to have access to God.
