

“Unity is a Necessity”

Psalm 133:1 – *“Behold how good and how pleasant it is for brethren to dwell together in unity! It is like the precious ointment upon the head, that ran down upon the beard, even Aaron’s beard: that went down to the skirts of his garments: As the dew of Hermon, and as the dew that descended upon the mountains of Zion for there the Lord commanded the blessing, even life for evermore.”*

There’s so much that God wants to do for you, blessings He wants to release in your life. But, much of it is predicated upon your making the right connection and dwelling in unity, getting the chaos and confusion out of your life.

The Psalmist says, Behold how good and how pleasant it is for brethren to dwell together in unity! God says it is good and pleasant for us to dwell in unity. And he lets us know when we come into unity whether it’s with our spouse or the people in our church, we will find an awesome movement of God. It will initiate blessings in our lives.

So how do we know dwelling in unity will create a blessing? First, unity is compared to the precious ointment upon the head, that ran down upon the beard, even Aaron’s beard: that went down to the skirts of his garments.

The precious ointment is the oil, and the oil represents the anointing. And when you unify, you open up the door for God’s Spirit to bring in the anointing that will flow in your life. That is awesome because the anointing makes the difference! If you walk in unity and not in contention and strife, you’ll see a difference in your marriage, destroying the yokes. If you walk in unity, you’ll see a difference in the church. You’ll see signs and wonders. The anointing makes the difference.

Secondly, unity is compared to the dew of Hermon and the dew that descended upon mountains of Zion for there the Lord commanded the blessing even life for evermore. Hermon represents the natural and Zion represents the spiritual. So, if you would operate in unity, God will bless you both naturally and spiritually. He’ll bless your home, and your place of worship. He’ll bless your relationship with Him and your relationship with God.

But watch this. Dew falls in the wee morning, while it is yet dark. If you dwell in unity God will shower you with the morning dew. You’ll be able to declare, late in the midnight hour God turned it around. You’ll be able to declare, weeping endured for the night but my joy came in the morning.

Unity is a necessity if you want to see the blessings of the Lord flowing in your life like the oil and like the morning dew.
