

YOU ARE A REIGNING PRIEST

Revelation 5:10 - "You have made them to be a kingdom and priests to serve our God and they will reign on the earth."

A visitation that brings habitation!

The New Testament church has received the spiritual kingdom of God and is, presently, the true representative agency of the kingdom of God on the earth. We "reign" as the king's royal officials on the earth, and will reign over, and share in the personal oversight of his kingdom, and the nations, in the millennial reign of Christ. The phrase "and they will reign" is taken as a prophetic present; while the larger fulfillment looks to the certain future, there is a sense in which we, who are the saved, reign with Christ in this present life, here and now.

The strong note of dominating victory which pervades the verse is inextricably linked with the triumphant actions of Christ. The original covenant by which man was to reign "over" was fulfilled in Christ, and manifested in the New Testament priesthood of believers. As reigning priests we have been endowed, graciously provided with,

and have received, the energizing strength of Christ's sovereign, pervading rule in order to face, deal with, and overcome our present difficulties, conditions, and our uncertainties.

You are a reigning priest; live like one!
