

## *Rest Assure*

### **Psalms 4:8**

“I will both lay me down in peace, and sleep: for thou, Lord, only makest me dwell in safety.”

David was no stranger to adversity, he faced many dangers; such as having to fight off a lion and a bear to protect his livestock even slew a giant, named Goliath, in order to protect his people. David even had to flee on multiple occasions from King Saul, in order to escape murder.

David was ordained as the next king, though he was the last man anyone would have chosen, but God chose him. Now God didn't choose David, because he was perfect, no, he was flawed, just like all of us, but he loved God and wanted to please him. When he would mess up, he would have to repent, just as we do.

When David would be in the midst of trouble, he would never lose his confidence however in God's ability to see him through any and every situation. It is because of this that he was able to rest assure. David would not just lay down, but he would sleep peacefully, knowing that his God would protect him.

We have to be more like David, not just like David, because as I stated earlier, he was flawed, but the great thing about David was that he loved God, and he trusted in God. His faith in God's ability to provide, protect and preserve him was unwavering.

We serve the same God, David served; and though our situations aren't the situations he faced, they are still just as heavy: debt, sickness, disease, death, trials, tribulations, family, friends, finances, bills, occupations, careers, you name it; the Most High is able to see us through any and everything.

Our faith activates the Father's power. We have to just believe that He can and will make a way, even when there seems to be no way. If you believe, you can rest assure.
