

*Be Still and Trust God -
Part III
(Psalm 46 NRSV)*

The word says: The Lord of hosts is with us; that same God of Jacob is our God who is our refuge...

God never changes – he is the same yesterday, today and always. Look, and you can see God in the smallest detail of your life. Blessed are the pure in heart, for they shall see God.

The word says: Come behold the works of the Lord; see what desolations he has brought on the earth...

To show us that we are not in control... and science does NOT have ALL the answers, GOD still awes and humans cannot explain all the earth's wonders; how the moon influences the ocean, and the sun on life's cycles. We can't accurately predict or stop natural earthquakes, volcanoes, erosion, tornadoes ... For all our trials and tribulations, we must come to a point where we realize how small we truly are in God's cosmos and humble ourselves to call on the Lord with no where else to turn... **He makes wars cease to the ends of the earth...** GOD has the power to stop not only warring nations in struggles for power and oil; not only unjust coups and genocide that drive famine and hatred, but also the wars on our streets that poverty and hopelessness has wrought for young and old. **GOD also has the power to bring to an end, the personal wars that rage around us as we battle self-doubt and fear... He can break the bow and shatter the spear ...** No weapon formed against us shall prosper... even as Satan tried to use a few sick-minded souls bent on assassination at the Convention to kill "in the name of Jesus"; they were foiled because GOD has other plans... BEHOLD WHAT GOD CAN DO!

Whatever is going on in your life, GOD is able to move you beyond probability to possibility and demonstrate to you and me that we are in God's loving hands! None of these are things can we do ourselves – BEHOLD WHAT GOD CAN DO! Whatever tomorrow brings, God is there! Then, watch, shout and pray, cause God is moving right now! All we have to do is **BELIEVE** and **BEHOLD WHAT GOD CAN DO!** Beloved, let God anointing fall on you! Let the power of the Holy Ghost fall fresh on you! Then TRUST: **"BE STILL and KNOW THAT I AM GOD!"**
