

"YOU AIN'T SEEN NOTHING YET!"

I Corinthians 2:9— "Eye has not seen, nor ear heard, Nor have entered into the heart of man The things which God has prepared for those who love Him."

Time and time again, if you've been on this Christian journey for any considerable length of time, your mind has been blown by what your eyes and ears were able to comprehend! Our God can do a new thing even in an old and hopeless situation at any given moment! He can step in and turn it around faster than fast, quicker than quick and sooner than right now! Because of that very thing, I stand in constant faith and unwavering belief that my God can do the impossible! I serve a BIG God; therefore, I can ask and expect BIG Gifts!

This book of I Corinthians was penned by Apostle Paul. Paul's appointment to the office of apostle was God's decision, not a person's or group's. Paul doesn't need the affirmation of the Corinthians because God chose him. Most believers know the story of Saul's conversion on the Damascus Road. He had a head-on collision with God! Saul, who was on his way to beat and put in jail the saints who called upon the name of the Lord. He was brought to his lowest so that God could raise him up to his highest potential and purpose in the Kingdom! Saul was a mean man and had a bad reputation that travelled before him. Yes, he was an educated man. Yes, he was a world traveler. Yes, he could converse with the most highly intellectual and affluent leaders of his day. But the one thing Saul lacked was a personal relationship with God!

In Proverbs 21:1 it says, "The king's heart is a waterway in the hand of the LORD; He directs it where He pleases." We are all a part of God's creation. Therefore, He, being the one who knew us, formed us, and sanctified us in our mother's belly has the power, the privilege, and the prerogative to shape us into the creation that He envisioned before we came to be. We were a thought before we became! My God can do anything but fail! Apostle Paul was the prime example of a man who was counted out by his peers because of his past failures and indiscretions. Be mindful Saints! God can take what we've tossed out as mere petty trash and turn it into his perfect treasure!

During the year of 2018, I'm sure many of you encountered disappointment, delays, distractions, dissention, defeat and doubt. You watched minutes, hours, days, weeks and months go by and yet your circumstance remained the same! You cried and you prayed! You prayed and you cried! You questioned God's care and concern in your situation and then concluded that He just did not care! Don't you remember the old saints telling you, "He may not come when you want Him to, but He's right on time." And that when He shows up, He shows out?

I'm a living witness that God can show up in the 13th hour and turn everything around right before your very eyes! The key to it all is that you've got to learn how to wait! And while you're waiting, you're still praying, you're still trusting, you're still seeking, you're still believing, you're still fasting, you're still praising and you're still hoping that in His time, in His way and in His will all things will work together for good to them who love God, to them who are the called according to His purpose!

Let me encourage you on today, the thing you have prayed for and waited for and hoped for and wished for that seems like a lifetime away, rest assured, if God promised it, He is not a man that lies. So stand on His Word and stand on His promise. He will come through every time! Not only will He come through for you, but the bible says in Psalm 37:25, "I have been young, and now am old; yet have I not seen the righteous forsaken, nor his seed begging bread." Trust me, we are the blessed seed of Abraham. God promised to bless his seed and his seed seed.

The seeds that your grandparents, and your parents planted hundreds of years ago, is able to produce a harvest of choice blessings in your life today, as well as in the life of your children and their children's lives. So, go ahead and plant good seeds today, because it will bless even to your fourth and fifth generations. "Eye hath not seen, nor ear heard, neither has it entered into the heart of man the things God has prepared for those who love Him." ... YOU AIN'T SEEN NOTHING YET!
