## Committed Women in Spiritual Leadership!

### Presentation Abstract

This session will focus on "Commitment" and what that looks like in the life of the Church, The Member and a Woman in Spiritual Leadership. We will focus on the following three aspects of Commitment:

- A. The Commitment
- B. The Characteristics
- C. The Custom (Protocol)

Leadership is not a \_\_\_\_\_; it is a \_\_\_\_\_, which means, there is a commitment involved!

### Goal

All participants should be able to take away strategies and tools that will prompt and provoke them, as a new or continuing Leader of New Hope Baptist Church ("NHBC"), to be unified and highly committed as they begin serving in the New Year. They should also have a greater understanding of the Vision, Mission and Goal of this House and their role in it.
